**Subject:** D1 Council Member - Let the people vote!

Hello, I am a twenty-nine year resident of District 1, and I support a special election, to be held in March 2020! I deserve the right to choose my representation on the City Council. I believe that the voice of the people is the only voice that matters. It saddens me that I have to request that RIGHT from the City Council!

District 1 is unique, and has different issues than the other districts in the City. They also have issues that are important to them, and I am glad that they have a dedicated voice on the Council to represent them. The various neighborhoods and personalities of areas in Carlsbad are part of what make our city the best place to live!!!! It is why our amazing "Jazz in the Park" travels to different venues throughout the city, bringing pleasure to all of us. How much more important is that when our Council is considering issues and enacting legislation that will affect our District 1! It is unacceptable to have our voice (and our vote on important matters) silenced!

I hope the City Council will show wisdom on October 22, and vote unanimously to allow District 1 to elect its own representative to the Council. Holding that election on March 3, 2020 will save the City money, and will also allow "we the people" to be represented much sooner. I thank you for your work on our behalf, and for listening to our voices!

Subject: Make an Appointment

Dear Carlsbad City Council Members:

As a resident of Carlsbad, District 3 and an elected school board member of CUSD I urge you each to follow the municipal code by making an appointment to the current open City Council seat.

Elections are costly and time consuming to tax payers. The first step in the process is for the Council to appoint a person to a vacant seat. As necessary, the council should initiate the appointment process by setting criteria and qualifications. If you wish to appoint now, I request that you consider appointing Tracy Carmichael to this seat. Ms. Carmichael was the very close runner-up in the election held (10) months ago and she has been fully vetted by the voters in District 1.

With many critical issues that impacts the City, an appointment is important to provide continuity to the Council.

Thank you

Ray
