Subject: Assembly Joint Resolution No. 30 and 33 - Relative to Nuclear weapons

Hi,

I urge tabling or voting no on supporting Assembly Joint Resolutions No. 30 and 33. Resolution No. 30 is meaningless in preventing or discouraging any nuclear exchange of weapons. Resolution No. 33 would be a disaster if followed by the US, as it would leave China, Russian, and N. Korea to take even more aggressive bullying action with their neighbors as well as the United States.

Please vote no, or table this resolution. There are far more important items that City of Carlsbad needs to attend to that city government can actually affect.

Thank you,

Robert Leider
