**Subject:** June 23 Board mtg - question for discussion...

Hello,

I'm a resident of Carlsbad who lives near the Aviara Community Park (just off of Poinsettia Ln). I've been playing basketball at the 2 courts there for over 10 years. The basket rims were removed during the Corona virus close down period because they are 4 half-court basketball courts and not full court. I was told that all half-court B-ball courts had their rims removed - presumably for added social distancing. I understand that.

Now that the Corona virus situation appears to be slowly improving here vs several months ago and with things being gradually reopened, could the replacement of the rims at this park be discussed at the June 23 Board mtg? I was told that I could raise this question in via an e-mail.

Thank you!

Best Wishes,  
Jim Ferrero
