**Subject:** Public area safety

DISTRIBUTED DURING PUBLIC  
COMMENT AT COUNCIL  
MEETING OF 7/14/2020

I would like this letter to be read at the next city council meeting. Regardless of beach parking, the empty lot along Ponto and Ave Encinas has become very dangerous. Last week alone, I witnessed a near miss of a child on a bike and a pickup zooming over the little edge ramp of the field. Also a fight between dog walkers and two pickups driven by young men. That got ugly. It has been suggested to put up the temporary type barriers that can be walked around but not driven around. There is also plenty of stand-alone fencing just getting rusty in Carlsbad State Beach parking lot. Please respond to this issue before someone is seriously injured. As previously stated, the police are ineffective in controlling this errant drivers who have no regard for the law or other people.

A concerned citizen,  
Cherie McLarty
