Please read into the record in public comment part of the council meeting.

I urge the city council to vote against this item because it goes against Carlsbad requirement to be a co-signer for millions without a vote of the people...

This is nothing more than a cheap budget trick.

And why do we, in Carlsbad, have to lend our good credit to Encinitas and Solana Beach?

However I see there's a active push for staff to "go around" a vote of the people in order to satisfy the whim of Cori Schumacher and her commitment to this pipe dream.. The staff should remember the last time they tried to go around the will of the people..

Now is not to time to invest in a organization that has no credit and can't raise their own money from banking sources...

There's an old saying "whats the name of a co signer on a loan... A SHMUCK with a pen".

We demand a vote on this agenda item...

Best Regards
