RE: Item #11, Appointment Two Members to Library Board of Trustees  
City Council Agenda - July 21, 2020

Dear Honorable Mayor and City Council Members:

I have been honored to serve as a City of Carlsbad Library Trustee and have appreciated the opportunity to be even more engaged with the Library and the City. My short term ends as of June and I would love to be considered for reappointment to serve a full term beginning at that time.

This year has proven to be a more challenging time than we could have imagined, and I hope to continue to offer guidance and support to the Library in making decisions as we continue to go forth into uncharted waters. The Library has made incredible progress in meeting the challenges we are facing due to COVID 19 pandemic, and this progress will serve the library and the community so well as we go forth beyond this crisis.

We are also experiencing a change in leadership as we bid a most fond farewell to our beloved Heather Pizzuto. We welcome new Library and Arts Director, Suzanne Smithson, who has a long history with the library as an outstanding leader and innovator. I have known Suzanne for many years and know she will be an excellent Director and offers a continuity which will serve the library well. It would be my pleasure to continue to work with her and offer my support.

You have my resume and I would hope that my long experience in various positions around Carlsbad and within the City and the Library and, earlier, on the board of Carlsbad Library and Arts Foundation will be useful and helpful going forward. I have been privileged to be the Library Board's representative to the Foundation and their board members were thrilled and grateful to present the check for \$196,072 to the City from the Foundation's Endowment Accounts. I have enjoyed being re-engaged with the Foundation on behalf of the Board.

I greatly appreciate your consideration of my request for reappointment to Carlsbad City Library Board of Trustees.

Thank you for your continuing leadership, dedication and support for the City of Carlsbad and its citizens. I know this has been a very difficult time and each of you has definitely risen to the challenge!!

Warm regards,

Gina Payne McBride, CFP
