## Council Memorandum

July 28, 2020

**To:** Honorable Mayor Hall and Members of City Council  
**From:** Paz Gomez, Deputy City Manager, Public Works  
**Via:** Geoff Patnoe, Assistant City Manager GP  
**Re:** **Additional Materials Related to Staff Report Item No. 13 – Analysis and Options on Physical Changes to College Boulevard, from Carlsbad Village Drive to Cannon Road**

---

This memorandum provides additional information as requested during City Council briefings on July 27, 2020 for the July 28, 2020 City Council Meeting Item No. 13 – Analysis and Options on Physical Changes to College Boulevard, from Carlsbad Village Drive to Cannon Road.

On page 9 of the staff report, prior to the first sentence in the first paragraph under the table, insert the following sentence: “Chapter 1.24 of the Carlsbad Municipal Code, also known as Proposition H, does not apply to Option 1. Specifically, Option 1 is estimated to cost approximately \$160,000 to \$195,000, which does not trigger Proposition H’s \$1,000,000 cost threshold, and it will be funded with gas tax funds (not general funds) which are not subject to Proposition H.”

On page 9 of the staff report, last paragraph under Next Steps, change the second line to read: “...information on that option, including a fiscal impacts analysis that considers Proposition H (Chapter 1.24 of the Carlsbad Municipal Code) and CEQA evaluation of that option.”

On the table on page 9 of the staff report, change “Current year expenditures and encumbrances” to “Project expenditures and encumbrances to date.”
