Item 1: State Legislative Program Update - Priority Bills and Advocacy Positions

Recommendation: Review the priority bills and advocacy positions identified in the August 14, 2020, State Legislative Program Update and take action, or provide feedback to staff, as appropriate.

Discussion:

At a Special Meeting on July 21, 2020, the Legislative Subcommittee reviewed several pieces of proposed legislation and provided feedback to staff to identify high priority bills and advocacy positions to be taken on such bills, consistent with the procedures outlined in City Council Policy No. 39 – Intergovernmental Affairs Program and the City of Carlsbad 2020 Legislative Platform.

The attached State Legislative Program Update (Exhibit 1) reflects the Subcommittee’s feedback to date and summarizes the advocacy positions and actions currently being pursued by the city.

The Subcommittee will receive a status update on pending legislation and will have an opportunity to continue its efforts to identify high priority bills, the advocacy positions to be taken on such bills, and any bills or advocacy positions to be referred to the City Council for consideration.

Next Steps

The legislature has until August 31 to pass bills prior to Final Recess. The Governor has 30 days to sign or veto bills that reach his desk, concluding on September 30. Staff and the city’s state lobbyist have initiated advocacy efforts on bill positions agreed upon by the Legislative Subcommittee. Items requiring City Council consideration will be presented at an upcoming City Council meeting prior to the deadlines noted above.

<p><u>AB 2345</u></p>	<p>Gonzalez (D)</p>	<p>Planning and zoning: density bonuses: annual report: affordable. This bill revises Density Bonus Law to increase the maximum allowable density and the number of concessions and incentives a developer can seek. Adopts City of San Diego model. Concerns include that the percentage of affordability is too low for the corresponding density and that the number of incentives and concessions proposed is too high and also not commensurate with the amount of affordability required.</p>	<p align="center">OPPOSE UNLESS AMENDED</p>	<p>Preparing Advocacy Letter</p>	<p align="center"><u>Bill Amended on July 21, 2020</u></p> <p align="center">Referred to the Senate Appropriations Committee</p> <p align="center">Hearing Scheduled: August 17 at 9:00 am</p>

This bill defines “total units” or “total dwelling units” in a density bonus project as a calculation of the number of units that excludes a unit added by a specified density bonus and includes a unit designated to satisfy an inclusionary zoning requirement of a local agency. This bill expands the types of for-sale moderate-income housing units that can benefit from a density bonus by deleting the existing law requirement that the units be in a “common interest development.” This bill requires a planning agency of a city or county to report in its housing element annual report the number of units for lower-income students that were included in a student housing development for which a developer received a density bonus.
