Subject: Today's Council Agenda - Update on COVID-19 Response

In light of the almost daily changes to the State of California mandates regarding business closures due to COVID-19 – it is not prudent from both an economic and personnel basis to enforce restrictions on already suffering businesses. Our city and village in particular cannot withstand the unconstitutional COVID-19 increased enforcements. This will lead to more business closures, more homelessness and less revenue for the City – especially when a Council salary increase is a current agenda item.

Sincerely,
Karen Hackett
