Dear City Council Members,

In July 2020 the City Council did not allow an already approved 3% raise to all part-time employees. 3% is the cost of living. I would hope you reconsider your decision.

I'm a concerned citizen who uses the City pools and facilities and think the employees have earned a pay increase. I see the Lifeguards cleaning, saniitizing, keeping the patrons physical distancing. Because of their efforts we have had the opportunity of leaving our homes , exercising , in a safe environment I'm very grateful for all they do on my behalf .Thank you for your consideration in this matter.

Bob
