Subject: City Council Meeting & Veteran's Memorial Park
Date: Monday, February 22, 2021 2:33:12 PM

Dear City Council,

We are writing to support the approval of the plan for the Veteran's Memorial Park. Specifically we are excited about the bike park and features that will be perfect for us and our kids (ages 15-6), we encourage you to continue to look for opportunities to expand this area and build upon the initial designs for increased bike park acreage. As you know, during covid outdoor recreation has been critical and a large increase in biking has occurred across all age groups, many are in need of the proposed features and opportunities within this park - please consider maximizing this opportunity as we move into the next phase.

Thanks,
Tom & Andrea Esbeck

I am a Carlsbad resident with two young boys. I absolutely love that the City is finally putting in a bike park! Please definitely keep this in the plan and include different skill level concepts as proposed. This is exciting and fully support this plan!
