*Carlsbad City Councilmembers:*

*On behalf of the San Diego Mountain Biking Association and our 1500 members, I want to urge the city council to approve agenda item #9 with the City Manager's recommendation to take Veteran's Memorial Park on to the permitting and environmental analysis phase of the project. We are very supportive of the bike park area and the other progressive amenities provided for in this plan.*

*Thank you for the opportunity to comment.*
