Re: City Council Mtg March 23, 2021, Agenda Item 10. CONSIDER POSSIBLE PROGRAMS TO ADDRESS HOMELESSNESS IN THE CITY OF CARLSBAD

Sending the homeless to hotel rooms is not a sustainable option, nor is it in any way a solution to the homeless problem. The city council must address the mental health issues as well as the drug/addiction issues. What will the council do to help the homeless population by addressing these areas of concern. I would like a reply.

Thank you,
