Subject: Agenda Item Regarding Civilian oversight of Carlsbad Police Department

Mr. Mayor and Members of the City Council:

I write in favor of the creation and empowerment of a Civilian Oversight Board empowered to review the policies and practices of CPD.

Carlsbad benefits from an exceptionally well-trained, professional police department, I suspect that most all residents will echo my support for their work on behalf of our community. I believe that the efficacy and professionalism of our police department can only be enhanced by the adoption of a review-focused civilian oversight board that provides regular reports and, when necessary, recommendations to the executive management of CPD, the City Manager, and the City Council.

Thank you.
