General Comments City Council Mtg 3-23-21

I am really amazed That the Park & Rec Senior Ctr wants to restrict access to the Senior Center to Carlsbad Residents only for meals and AARP advisors.

I guess P & R did not get the message that the goal of the City Council is diversity and unity.

I am also amazed that the Staff at the Sr. Center does not bring the Fun and the consideration for the seniors and their requests! I know the Staff get paid regardless of their performance, but why should seniors put up with the slip slod and mediocre performance and poor attitude? SR. Ctr. staff cna not bring the fun to Wii Bowling or the right price for Zentangle classes!

Does the Senior Center server Seniors or is it a money making org.for the City?

Call your council member to complain, please

Thanks,

Mary Lucid
