To Whom it May Concern:

Please accept this letter affirming Republic Services as the exclusive franchise hauler for the City of Chula Vista.

Republic Services has provided valuable services to the City of Chula Vista residents and businesses and continues to be an excellent community contributor by supporting many social benefit programs and events.

Republic Services local management team is easy to work with and is always committed to working to find solutions to any issue that may arise. In the past, Republic Services prompt response to solving the few contractual issues has been effective and sustainable.

In the spirit of partnership, Republic Services and the City developed a commercial organic food waste pilot program that has been very successful. The City of Chula Vista looks forward to a long-lasting partnership with Republic Services and welcomes innovative approaches to developing new waste reduction programs mandated by State of California Law that will dramatically change the current industry landscape.

Please don't hesitate to reach out to me directly should you have any question or desire more information.
