Subject: Strongly oppose dog park at Pointsetta park

All Receive - Agenda Item # 1
For the Information of the:
CITY COUNCIL

Pointsetta park has so many children at the park my girls grew up playing at the park.

We have a dog but we strongly oppose a fig park at Pointsetta it is not a good idea because so many children are in all areas of the park and the chances of dogs biting barking and scaring children is so high.

Please put the park in a park or area that is not filled with so many families.
