Hello - I wanted to insure this is introduced as public record.

I have been reading a great deal about council member Cori Shumacher and her assertions of harassment because of her sexual proclivity. I could care less however as an older white male, I am very bothered by remarks on a local Facebook page to the extent I may file a TRO against Ann as I now feel very unsafe.

Here is the commentary.

I will support Cori Schumacher Carlsbad Councilmember. You old white dudes need to find the exits. Now.

Councilmember Schumacher seems to be stoking the fires. trust me - If this crosses the line, I will pursue legal remedy. You as council members have ZERO courage to address and I have lost respect for you all. Mayor Hall - you are the Mayor. Take charge.

Thank you,

Tony

Aviaria/Parcel 13 in the affordable housing plan rezoning from single family to high density should be removed altogether like the Ponto parcel was removed. The alternate southwest quadrant site is at the Pointsettia train station It is in the southwest quadrant. Priya was inconsistent to say the least in her two votes in these two parcels
