Hello, I would like to submit a question to be read and possibly answered at the next meeting. Today is April 15th, at 8am.

Question.

My name is Douglas Goldfein and I am the owner of Phoenix Sports a youth sports program for ages 3-10. I would like to raise awareness to the Carlsbad City Parks and Rec fee structure and the overwhelming difference in park reservation fees to the surrounding cities. Carlsbad park reservation fees are almost double that of the surrounding cities and I have pulled data to support my claim. I was told to pull the data and present it to a member Mike Pacheco and was quickly brushed off. These steep prices for basic park reservation are causing programs like mine to drastically raise prices to cover the rental fees. We should be making our youth a priority and be able to provide parents with services like mine for a lower cost. Thank you.
