For Agenda Item 6:

Public comment submitted for **Greg Anglea**, *Chief Executive Officer* of Interfaith Community Services:

“On behalf of the board and staff of Interfaith Community Services, I express our gratitude for the recommendation of \$40,924 in FY2021-2022 Community Development Block Grant funding. These funds will directly help to prevent and end homelessness for low-income Carlsbad residents. Services available through our Carlsbad Service Center will include rental assistance and emergency housing case management, emergency food and connections to supportive services, and employment assistance. If approved, we look forward to working closely with the City of Carlsbad and other community partner organizations to ensure that all eligible residents are aware of and can benefit from the services available.”

Thank you,

Jana Mackie, MSW | Grants Manager
